re: Sierra Liquidity Fund, LLC (Assignee); PVI Industrial Washing (Assignor), Claim No. 14692

date: Wednesday, February 28th, 2007

Sierra Liquidity Fund, LLC ("Sierra") has received the Debtor's 9th Omnibus Objection to claims requesting that the above claim in the amount of \$75,027.43 be reduced and modified on the basis that the claim and asserted liability are not owing pursuant to the Debtor's books and records.

Sierra Liquidity Fund, LLC (Assignee) and PVI Industrial Washing (Assignor) ("PVI") Object to this Objection.

1. Please find attached sufficient documentation supporting the filed Proof of Claim # 14692 in an amount of \$75,027.43.
2. Upon review of the filed Proof of Claim and supporting documentation, we dutifully request that Debtors and the Court allow Claim # 14692 for the full filed amount of \$75,027.43 as liquidated and undisputed.
3. To expedite this matter, we suggest a Stipulation Agreement be prepared for the amount of \$75,027.43 and sent immediately to Sierra's attention for signature.
4. Copies of the following have been enclosed with this response: The Notice of 9th Omnibus Objection to Claim # 14692, the transfer agreement executed between Sierra Liquidity Fund, LLC (Assignee/Transferee) and PVI Industrial Washing (Assignor), Proof of Claim # 14692 as originally filed by Sierra Liquidity Fund, LLC as Assignee and Attorney-In-Fact for PVI Industrial Washing (Assignor) and the supporting documentation requested for claim # 14692 evidencing the amount of \$75,027.43 owed on Claim # 14692 filed by Sierra Liquidity Fund, LLC; Assignor: PVI Industrial Washing **The supporting documents in Proof of Claim # 14692 include Invoices, Purchase Orders, and Proof of Deliveries.**
5. Sierra and PVI see no basis on behalf of the Debtor for the proposed reduction and modification of Claim # 14692, as the supporting claim documentation (Invoices, Purchase Orders, and Proofs of Deliveries) clearly show a preponderance of evidence that the claim in the amount of \$75,027.43 remains due and owing as a valid unpaid pre-petition unsecured claim.
6. Sierra and PVI do not object to the proposed Modified Debtor for which Claim # 14692 is against.

Please contact either of the following at your earliest convenience to resolve the objection.

Transfer of Claim

Delphi Corporation, et al.

This agreement (the "Agreement") is entered into between PVI Industrial Washing (the "Assignor") and Sierra Liquidity Fund, LLC, Sierra Asset Management, LLC or assignee ("Assignee") with regard to the following matters:

1. Assignor in consideration of the sum of _____ (ent) of the current amount outstanding on the Assignor's trade claim (the "Purchase Price"), does hereby transfer to Assignee all of the Assignor's right, title and interest in and to all of the claims of Assignor (the "Claim") against Delphi Corporation, et al. (affiliates, subsidiaries and other related debtors) (the "Debtor"), in proceedings for reorganization (the "Proceedings") in the United States Bankruptcy Court of New York, Southern District, in the current amount of not less than 75,027.43 [insert the amount due, which shall be defined as "the Claim Amount"], and all rights and benefits of the Assignor relating to the Claim including, without limitation, Assignor's rights to receive interest, penalties and fees, if any, which may be paid with respect to the Claim, and all cash, securities, instruments, and other property which may be paid or issued by the Debtor in satisfaction of the Claim. The Claim is based on amounts owed to Assignor by Debtor as set forth below and this assignment is an absolute and unconditional assignment of ownership of the Claim, and shall not be deemed to create a security interest.
2. Assignee shall be entitled to all distributions made by the Debtor on account of the Claim, even distributions made and attributable to the Claim being allowed in the Debtor's case, in an amount in excess of the Claim Amount. Assignor represents and warrants that the amount of the Claim is not less than the Claim Amount, that this amount is the true and correct amount owed by the Debtor to the Assignor, and that no valid defense or right of set-off to the Claim exists.
3. Assignor further represents and warrants that no payment has been received by Assignor or by any third party claiming through Assignor, in full or partial satisfaction of the Claim, that Assignor has not previously assigned, sold or pledged the Claim, in whole or in part, to any third party, that Assignor owns and has title to the Claim free and clear of any and all liens, security interests or encumbrances of any kind or nature whatsoever, and that there are no offsets or defenses that have been or may be asserted by or on behalf of the Debtor or any other party to reduce the amount of the Claim or to impair its value.
4. Should it be determined that any transfer by the Debtor to the Assignor is or could have been avoided as a preferential payment, Assignor shall repay such transfer to the Debtor in a timely manner. Should Assignor fail to repay such transfer to the Debtor, then Assignee, solely at its own option, shall be entitled to make said payment on account of the avoided transfer, and the Assignor shall indemnify the Assignee for any amounts paid to the Debtor. If the Bar Date for filing a Proof of Claim has passed, Assignee reserves the right, but not the obligation, to purchase the Trade Claim for the amount published in the Schedule F.
5. Assignor is aware that the Purchase Price may differ from the amount ultimately distributed in the Proceedings with respect to the Claim and that such amount may not be absolutely determined until entry of a final order confirming a plan of reorganization. Assignor acknowledges that, except as set forth in this agreement, neither Assignee nor any agent or representative of Assignee has made any representation whatsoever to Assignor regarding the status of the Proceedings, the condition of the Debtor (financial or otherwise), any other matter relating to the proceedings, the Debtor, or the likelihood of recovery of the Claim. Assignor represents that it has adequate information concerning the business and financial condition of the Debtor and the status of the Proceedings to make an informed decision regarding its sale of the Claim.
6. In the event that the Claim is disallowed, reduced, subordinated, or impaired for any reason whatsoever, Assignor agrees to immediately refund and pay to Assignee, a pro-rata share of the Purchase Price equal to the ratio of the amount of the Claim disallowed divided by the Claim, plus 8% interest per annum from the date of this Agreement. The Assignee, as set forth below, shall have no obligation to otherwise defend the Claim, and the refund obligation of the Assignor pursuant to this section shall be absolutely payable to Assignee without regard to whether Assignee defends the Claim. The Assignee or Assignor shall have the right to defend the claim, only at its own expense and shall not look to the counterparty for any reimbursement for legal expenses.
7. To the extent that it may be required by applicable law, Assignor hereby irrevocably appoints Assignee as its true and lawful attorney and authorizes Assignee to act in Assignor's stead, to demand, sue for, compromise and recover all such amounts as now are, or may hereafter become, due and payable for or on account of the Claim. Assignor grants unto Assignee full authority to do all things necessary to enforce the Claim and Assignor's rights thereunder. Assignor agrees that the powers granted by this paragraph are discretionary in nature and that the Assignee may exercise or decline to exercise such powers at Assignee's sole option. Assignee shall have no obligation to take any action to prove or defend the Claim's validity or amount in the Proceedings or in any other dispute arising out of or relating to the Claim, whether or not suit or other proceedings are commenced, and whether in mediation, arbitration, at trial, on appeal, or in administrative proceedings. Assignor agrees to

take such reasonable further action, as may be necessary or desirable to effect the Assignment of the Claim and any payments or distributions on account of the Claim to Assignee including, without limitation, the execution of appropriate transfer powers, corporate resolutions and consents.

8. Assignor shall forward to Assignee all notices received from the Debtor, the court or any third party with respect to the Claim, including any ballot with regard to voting the Claim in the Proceeding, and shall take such action with respect to the Claim in the proceedings, as Assignee may request from time to time. Assignor acknowledges that any distribution received by Assignor on account of the Claim from any source, whether in form of cash, securities, instrument or any other property or right, is the property of and absolutely owned by the Assignee, that Assignor holds and will hold such property in trust for the benefit of Assignee and will, at its own expense, promptly deliver to Assignee any such property in the same form received, together with any endorsements or documents necessary to transfer such property to Assignee.

9. In the event of any dispute arising out of or relating to this Agreement, whether or not suit or other proceedings is commenced, and whether in mediation, arbitration, at trial, on appeal, in administrative proceedings, or in bankruptcy (including, without limitation, any adversary proceeding or contested matter in any bankruptcy case filed on account of the Assignor), the prevailing party shall be entitled to its costs and expenses incurred, including reasonable attorney fees.

10. The terms of this Agreement shall be binding upon, and shall inure to the benefit of Assignor, Assignee and their respective successors and assigns.

11. Assignor hereby acknowledges that Assignee may at any time further assign the Claim together with all rights, title and interests of Assignee under this Agreement. All representations and warranties of the Assignor made herein shall survive the execution and delivery of this Agreement. This Agreement may be executed in counterparts and all such counterparts taken together shall be deemed to constitute a single agreement.

12. This contract is not valid and enforceable without acceptance of this Agreement with all necessary supporting documents by the Transferee, as evidenced by a countersignature of this Agreement. The Assignee may reject the proffer of this contract for any reason whatsoever.

13. This Agreement shall be governed by and construed in accordance with the laws of the State of California. Any action arising under or relating to this Agreement may be brought in any state or federal court located in California, and Assignor consents to and confers personal jurisdiction over Assignor by such court or courts and agrees that service of process may be upon Assignor by mailing a copy of said process to Assignor at the address set forth in this Agreement, and in any action hereunder, Assignor and Assignee waive any right to demand a trial by jury.

If you have filed a Proof of Claim please check here: _____

Please include invoices, purchase orders, and/or proofs of delivery that relate to the claim.

Assignor hereby acknowledges and consents to all of the terms set forth in this Agreement and hereby waives its right to raise any objection thereto and its right to receive notice pursuant to rule 3001 of the rules of the Bankruptcy procedure.

IN WITNESS WHEREOF, the undersigned Assignor hereto sets his hand this 30 day of Nov, 2005.
